# R2 SINGLE DOOR MIRROR CABINET AM4051.x FITTING INSTRUCTIONS

Please retain for future reference

### Before you start

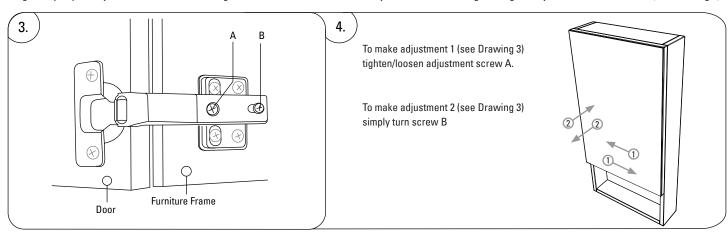

It is recommended that all units and basins are secured to a suitably reinforced wall to ensure stability. Wall plugs supplied are only suitable for solid stone / brick wall. For plasterboard walls use specialist wall plugs, If in any doubt please consult an expert. Wear suitable eye protection when drilling. Take care when using power tools near water - the use of a residual current device (RCD) is recommended. Beware of hidden pipes or cables. Take care when drilling tiled surfaces as the drill might slip. Use a piece of masking tape to prevent the drill from wandering.

### Hinge Adjustment

Hinges may require adjustment for correct door alignment. This is achieved with the adjustable soft close hinges using the adjustment screws A and B (see Drawing 3).

## Furniture Aftercare Instructions

As with all wooden furniture, this product should be treated with care.

#### We recommend...

Wipe away any water splashes or condensation after use. Excessive exposure to water will deteriorate the furniture.

All bathrooms should be well ventilated with a suitable extractor fan.

Clean with a soft damp cloth only.

Use a wax free polish if one must be used.

For removal of lime scale deposits use a suitable proprietary cleaner. If necessary test on an inconspicuous area first.

### Please DO NOT...

Do not scrub or scour

Do not use abrasive cleaning agents

#### Warnings

Do not strike glass components with hard or pointed items. Do not place very hot or very cold items against or in close proximity to glass surfaces unless an adequately thick insulation material is used to prevent such items coming in contact with the glass.

## Replacement of Glass Components - BS7449: 1991

This cabinet contains a mirrored door of nominal thickness of 5mm. Should the mirror become chipped or broken, it is not possible to replace the glass of the type described above due to the construction of the door. Contact R2 for details on obtaining a suitable replacement door quoting the the model number and batch number. For all other replacement components for this product please also contact R2 using the contact details below.
