ROPER RHODES

3 Shelf Shower Caddy CB70.02 Assembly And Care Instructions

Before assembling this product please take time to read the following instructions carefully.
If you are in any doubt please consult a qualified person.

Tools Required -
Screwdriver

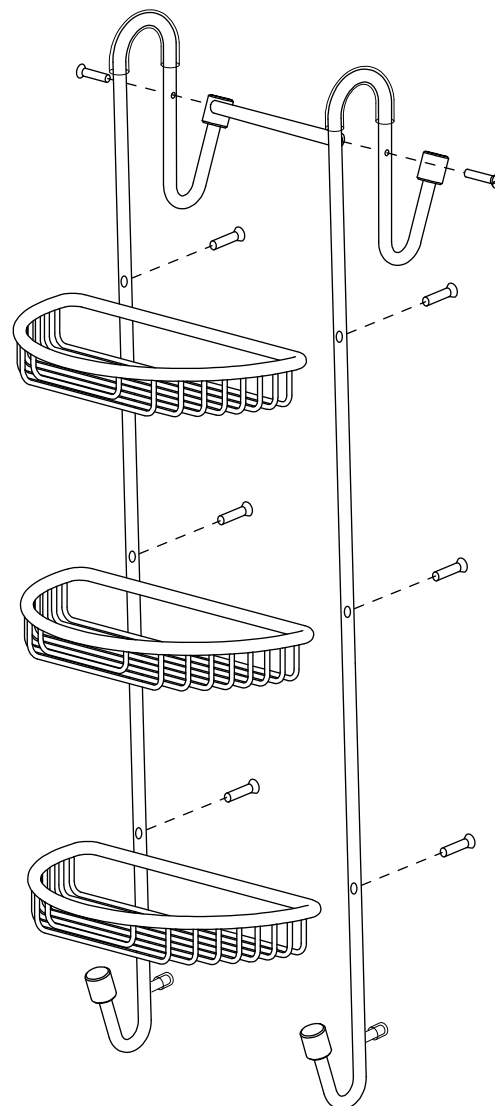

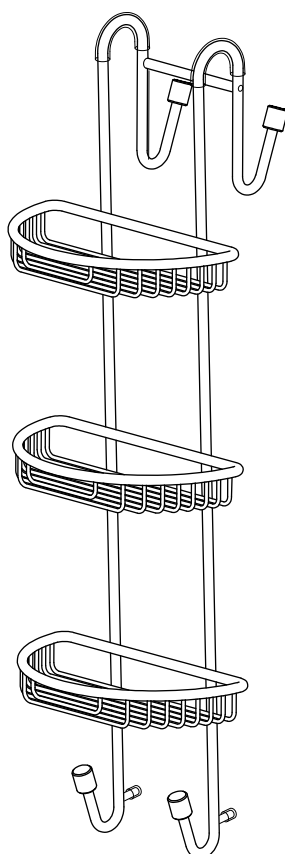

Parts Included -

- Attach cross member (part D) to the main bars (part B) using screws (part C) ensure the countersink of the hole is facing the outside and tighten with a suitable screwdriver.
- Attach all three baskets (part A) again using screws (part B), tighten using a suitable screwdriver, ensure baskets are attached in the correct orientation (see diagram).
- If required place plastic shelf insert (part E) in any of the baskets.

Cleaning -

We recommend using a soft damp cloth only. Do not use metal cleaners or other abrasive cleaning agents.
