### FAQs

- |  |   |
|--|---|
| Q: What are the front faces painted with?              | A: Build up of 3 layers of gloss PU paint.  |
| Q: Are the back faces painted?                         | A: The back face of the panels are painted white.   |
| Q: Can the panel be cut lengthways if required?        | A: They can be cut to fit around skirting board and pipe work. Isocore panels do not need to be sealed after being cut.                     |
| Q: What is height range?                               | A: 450mm - 570mm  |
| Q: What is the thickness of the plinth?                | A: 9mm  |
| Q: Why is the end panel plinth shorter than end panel? | A: When assembling the end panel is set behind the 1700mm main panel - the plinth is 9mm to accommodate the orientation- see diagram below. |

NOTE: No RAL Code available
